4. Sponsor's Narrative Statement

(Describe nominee's accomplishments and contributions using not less than 50, nor more than 250 words.)

In my roles as Vice Chair of MSS Women in Medicine Standing Committee (WIM) and Vice Chair of MSS Region 2, I have had the pleasure of working with Adrienne in various capacities. In her role as chair of the WIM Advocacy subcommittee, Adrienne has not only demonstrated her passion for women's health advocacy and advancing women in medicine, including collaborating with WPS to successfully plan and moderate a virtual panel of WPS speakers for Women in Medicine History month, she has shown excellent communication and organizational skills that will help her to excel in future leadership roles. Having served on the Region 2 resolution committee for I-23, Adrienne has a keen understanding of the MSS policy process and was recently elected as a Region 2 Alternate delegate to the HOD, displaying her eagerness to learn and engage in HOD policy. Additionally, Adrienne is passionate about increasing student engagement in the AMA, reviving her local MSS chapter and recruiting four new M1s to attend I-23. Having witnessed Adrienne's passion for advancing women's health and representation in medicine, her enthusiasm for promoting engagement in organized medicine and her collaborative approach to leadership, I have no doubt that she would excel in the role of medical student on the AMA Women Physician Section Governing Council.

5. Candidate's Statement of Interest

(Not less than 50, nor more than 250 words.)

My journey and active involvement in the AMA sparked a passion for health advocacy, leading me to champion women's health rights as a co-author on several resolutions concerning maternal health. Being a member of the WIM Standing Committee has significantly enhanced my knowledge and experience with AMA policy. As the Chair of the WIM Advocacy Subcommittee, I am resolute in my goal to strengthen the WPS/MSS-WIM relationship by fostering mentorship, facilitating connections, and encouraging teamwork.

I took immense pleasure in hosting a compelling panel session with WPS in honor of Women in Medicine month, and I am enthusiastic about collaborating with Minali to spearhead more impactful WIM/WPS events. The WPS/WIM panel highlighted issues that female physicians face early in their training-- challenges that current medical trainees still encounter. Thus, I

firmly believe in the myriad opportunities for WPS and MSS members to intensify collaboration and bolster advocacy for women's health and women in medicine policies within the HOD and beyond the AMA.

My extensive experience thus far in the AMA, combined with previous regional leadership roles within the MSS, positions me to be an adept and dynamic member of the WPS GC. As a medical trainee who identifies as an Asian-American female, I am eager to bring my perspective and serve as the medical student representative on the WPS GC, championing the relationship between WPS and MSS, and contributing to WPS initiatives in advancing advocacy for women in medicine that are in harmony with the AMA's Strategic Plan.
