5. Candidate's Statement of Interest

(Not less than 50, nor more than 250 words.)

Our YPS is one of the most influential groups within our AMA, both explicitly through our actions on behalf of our Section and implicitly through our ability to move between the often disparate factions of the House of Delegates. Our YPS representatives come from many backgrounds and experiences which adds to the rich plurality of opinions that are present among our body. In my three years in the Chair rotation, I would work to ensure that all members of YPS feel that they have the ability to speak freely among our Section to represent their opinions. I feel that our Section will remain strongest when we encourage discussion within our ranks, and that this discourse will be a model for the greater House of Delegates.

6. Endorsements

(Are welcome, but not required.)

Diversity and Demographics

In order to attract the most diverse pool of candidates possible, we request the following self-reported diversity statement and optional demographic information. This information will be used in the internal deliberation of candidates and may be reported in aggregate form only. For applicants to organizations outside the AMA: this information will only be released to the organization to which you are seeking appointment (1) if you are the AMA's selected nominee and (2) if you provide permission to do so.**

7. Candidate's Diversity Statement. Please describe how you will bring diversity to the position for which you are applying.

Although our YPS governing council is quite diverse in many ways, this is not necessarily true of the greater leadership within our AMA Sections. As a young physician and working mother, I would bring insight to the Section leadership that may not otherwise be available. Coming from a smaller, more rural state also gives me perspective on issues in medicine which may not be apparent to leadership from larger areas.

8. Demographics. The following questions are optional:

Are you Hispanic?

- Yes
- No

What is your self-identified race?

- White
- Black
- Asian
- American Indian/Alaska Native
- Pacific Islander
- Other:
- Prefer not to respond

What is your gender identity?

- Male
- Female
- Transgender
- Other:
- Prefer not to respond

What is your sexual orientation?

- Bisexual
- Gay or lesbian
- Heterosexual/Straight
- Other:
- Prefer not to respond

Would you describe yourself as having a disability/being differently-abled?

- Yes
- No

Explain, if desired:

****Optional Release to External Organization Positions** – For AMA nomination opportunities for external leadership positions: To further our mission of ensuring diverse representation, the AMA asks nominees if they would like to share the diversity statement and optional demographic information they have provided to us with the external organization for the position for which they have applied.

Please indicate your decision below:

- No. I choose NOT to authorize the AMA to share this diversity statement and optional demographic information on this form to any external organization.
- Yes. I authorize the AMA to share the diversity statement and optional demographic information I have provided in this application with the external organization to which I am applying for a position. I understand that the AMA will only include this optional diversity information if I am selected as a nominee.

9. AMA's Conflict of Interest Policy

Please review carefully the [AMA's Conflict of Interest Policy](#).

All nominees must complete a conflict of interest disclosure form by **May 22, 2019**. Upon the AMA's receipt of your nomination submission, an email with details on how to access the disclosure form will be forthcoming. Your nomination materials will not be considered complete until your disclosure form has been completed and returned.

If you are seeking nomination/appointment to a leadership position in another organization, please also review carefully that organization's conflict of interest policy to determine that you will be able to comply. Please also familiarize yourself with the other organization's requirements/instructions for completion of any disclosure form.

If you have questions about the AMA's Conflict of Interest Policy, the AMA's Office of General Counsel (ogc@ama-assn.org) is available to provide guidance.
