Serving on the YPS GC for the past one and a half years has been an absolute honor. I am just as excited now to continue the work we have started as I was in 2020 to begin it! While I love my day job as a practicing full time academic physician, the reason that I pursued further

training in health policy is tied to my experiences in organized medicine. This training as well as the bonds and relationships I have built make me uniquely suited to continue as member-at-large

The very meeting at which this election will take place is the first time the whole Governing Council will meet in person since my previous election. While I admit I knew many of my fellow governing council members prior to joining, I am ecstatic writing this and contemplating getting to see and interact with them and you face to face in June. As the member-at-large, it has been my responsibility and pleasure to support the other members of the GC as well as to liaise with various committees and sections. Additionally, as part of our ongoing work on the bylaws you may see some upcoming changes to the role and I am hoping to be a part of moving forward with our mission of furthering equity within the house of medicine as a whole as well within the Young Physicians Section.

I humbly ask you to vote to re-elect me, Marc Mendelsohn, to the Young Physicians Section Governing Council.

6. Endorsements
