(Describe nominee's accomplishments and contributions using not less than 50, nor more than 250 words.)

On behalf of the Connecticut State Medical Society (CSMS) we wholeheartedly recommend Dr. Lorenzoni for YPS Governing Council Member-at-Large. Dr. Lorenzoni is a dedicated physician whose passion for advocacy at both the state and federal levels is exemplary. As the co-chair of the CSMS YPS section, he has demonstrated exceptional leadership, fostering collaboration among young physicians and advocating for policies that benefit our profession and patients alike.

Dr. Lorenzoni's commitment to advocacy was further recognized when he recently received the 2023 CSMS Young Physician Advocacy Award. This prestigious honor underscores his unwavering dedication to advancing the interests of physicians and healthcare as a whole.

His recent work, spearheading a survey on the retention and recruitment of physicians in Connecticut, highlights his proactive approach to addressing critical issues facing our healthcare system. This initiative has provided invaluable insights that can inform policy decisions and improve the working conditions for physicians in our state.

Additionally, Dr. Lorenzoni's co-authorship of an op-ed on the same topic showcases his ability to effectively communicate complex healthcare issues to a broader audience, further amplifying his advocacy efforts.

In summary, Dr. Lorenzoni's exemplary track record, leadership, and commitment to advocating for physicians and the improvement of healthcare in Connecticut and on the national level make him an outstanding candidate for the YPS Governing Council. His dedication and expertise will undoubtedly be invaluable in shaping the future of the medical profession.

5. Candidate's Statement of Interest

(Not less than 50, nor more than 250 words.)

I, Ray Lorenzoni, am honored to run for YPS Governing Council Member-at-Large. I became active in the AMA in 2010 when membership was in decline. My familiarity with the idiosyncrasies of the AMA federation makes me a formidable force for advancing our values. My experience in multiple state delegations, on the MSS and RFS GC, as a young physician parent of a sick child, and as an advisor to a med-tech start-up will offer a fresh perspective to the current YPS GC.

While the GC will be busy making the YPS run well, as Member-at-Large I get to innovate to make the YPS run even better. I am my state Membership Chair and YPS Advocacy Award winner because I have reengaged members, increased membership, and authored a state-wide survey (and subsequent op-ed) about physician finances, recruitment, and retention. Further, for the start-up Microscope.xyz, I iterate on innovation in imaging weekly.

Those who know me will say I run a tight ship. As RFS GC Delegate and state sections Chairs, my effectiveness stemmed from moderating collaboration, involving many perspectives, and unifying for action. I cannot take much of the credit, but during my RFS GC tenure we ached virtual meetings and the resolution backlog, fended off the Resolution Committee and attempts to undermine representation, doubled down on reproductive health care as a human right, and made the AMA newsworthy... all without going over time.

As your Member-at-Large, I will foster a new generation of YPS and AMA membership and collaboration.
