10:45 a.m.	YPS HOD Handbook review
11:55 a.m.	Vote for YPS endorsement of President-elect candidates
12 p.m.	<p>Structural Inequities in Medicine: Impacts on the Person and Profession co-sponsored by the APS, IMGS, MAS, MSS, and WPS</p> <p>In 2018, the AMA adopted policy H-180.944: Plan for Continued Progress Toward Health Equity that states: "Health equity, defined as optimal health for all, is a goal toward which our AMA will work by advocating for health care access, research, and data collection; promoting equity in care; increasing health workforce diversity; influencing determinants of health; and voicing and modeling commitment to health equity."</p> <p>Building on the foundation of HOD policy and holding medical culture accountable, this session will examine the issue of structural inequities in medicine. Panelists will explore how systems of power have impacted their training and medical careers. In addition, the program will identify resources from the AMA's Center for Health Equity that can help address the drivers of health inequity that continue to cause harm to marginalized communities and society as a whole.</p> <p>The program will be moderated by Karthik Sivashanker, MD, MPH, the AMA Center for Health Equity's vice president of equitable health systems and innovation. Panelists include:</p> <ul style="list-style-type: none">• Ricardo Correa, MD, EdD, FACP, FACE, FAPCR, FACMQ, Program Director of the Endocrinology, Diabetes and Metabolism Fellowship and the Director of Diversity for Graduate Medical Education at the University of Arizona College of Medicine in Phoenix, Arizona.• William McDade, MD, PhD, chief diversity and inclusion officer at the Accreditation Council for Graduate Medical Education.• Davy Ran, MSc, MPH, a medical student at the University of Rochester School of Medicine and Dentistry and AMA-MSS LGBTQ+ Standing Committee member.
